PINK NIGHT IN THE PARK
OCTOBER 14 from 5:30 PM - 7:30 PM in Memorial Park

Join us for Pink Night in the Park on October 14! In the month of October, we wear pink and pink ribbons serve as a reminder of those lives that have been touched by breast cancer. However you have been touched, we want to take October and beyond to remember and remind ourselves and those around us to be proactive! To remember those whose lives have touched ours but are no longer with us.

Funds from this event will be donated to Kentucky Cancer Link. That means your donation will directly impact a local person in need.

FOR MORE INFO EMAIL BTRAVIS@CALVERTCITYKY.GOV OR CALL (270) 395-7138
