

Application for Excavation and/ or Construction upon Municipal Property

CALVERT CITY

City of Calvert City

861 East 5th Avenue

P.O. Box 36,

Calvert City, KY 42029

(270)395-7138 Ph

(270)395-5554 Fax

Version 4.0

June 11, 2024

Pursuant to Calvert City Code of Ordinances Section 91.02(A), the undersigned hereby applies to the City of Calvert City to make an opening, breach or excavation in a street, grassplot, sidewalk, alley or other public way in the City, and in support of such request, states:

Legal name of the applicant: _____

Address: _____ **Phone:** _____

Point of Contact Name: _____ **Phone:** _____

Address: _____

Email: _____

The exact location of the opening, breach, or excavation (described in reference to existing landmarks):

_____ **GPS Location (if Known)** _____

Application for Excavation and/or Construction upon Municipal Property

The reason(s) the requested opening, breach or excavation is needed and/or necessary

Will the requested opening, breach or excavation disrupt the flow of traffic: ___ yes, ___ No

If Yes, From _____ to _____
(Date and time) (Date and time)

If the opening or excavation requested will require the temporary closure of a city street to traffic, application shall be submitted to the City Administrator not less than 14 days prior to the requested opening or excavation. Upon approval, a sum sufficient to pay for the publication of a public notice for said temporary street closure will be required.

Briefly describe the work to be performed, including the nature, character and scope (including dimensions):

The undersigned estimates that the total cost of the anticipated opening, breach or excavation, including the repair of the site, is: \$_____.

(Note: A cash deposit in above amount; or bond, with corporate surety approved by the City Administrator, in such amount shall be delivered to the City Clerk of Calvert City prior to issuance of the permit.)

If excavation is in a city street and approved, a repair design diagram will be provided by the city.

Application for Excavation and/or Construction upon Municipal Property

Other than the undersigned, the following contractor(s) will perform each stage of the work:

| Contractor's Legal Name | Street Address | City, State & Zip | Stage of Work | Primary Contact Name & Phone |
|-------------------------|----------------|-------------------|---------------|------------------------------|
| | | | | |
| | | | | |
| | | | | |
| | | | | |

All construction work in any street or other public way which involves the construction or reconstruction of paving, sidewalks, driveways, curbs, gutters, sewers and water lines, after the same shall have been opened or excavated, **shall be inspected and approved** by the City Administrator (and/or such other city agents or employees as may be directed by the City Administrator) after a permit for the doing of such work has been issued by the City Administrator pursuant to this chapter.

The depth, location, grade alignment and proper pointing of all sewer pipelines and private water lines shall be approved by the superintendent of the Calvert City Utility Department, or his authorized deputy, agent or representative, before the ditch is backfilled and before any pipe is covered by the contractor or by the person who is doing the work. The location and depth measurement of all house service line sewers shall be made and determined by the Superintendent of the Calvert City Utility Department or his authorized deputy, agent or representative, before the pipe is covered by the contractor. All pavement, sidewalk, driveway, curb and gutter construction or reconstruction work shall be performed in conformity with the requirements of *applicable ordinances, rules, regulations and requirements of the city and/or the Commonwealth.*

Notice for inspection, shall be made to City Hall by the contractor or person doing the work at least four hours in advance of the required inspection. No inspection will be made by a representative of the city outside of regular city working hours.
